

Featured Entertainment at  
Major Sporting Events:  
Additional grant of rights (optional)

Dear Member

1. PPNZ currently licenses sports stadiums and venues for the public performance of sound recordings at their premises. These licences cover the background use of music such as the playing in function rooms, concourses, hospitality areas, etc. It does **not** cover the use of sound recordings when they are used in a featured way during matches, for example: pre-match & half-time entertainment, or breaks in play due to injury or the reset of play.
2. PPNZ has identified featured use of sound recordings at sports events as an area where blanket licensing may be of use to our members in ensuring that their copyright is adequately protected from unauthorised use.
3. In this letter **Featured Entertainment at Major Sporting Events** means the Communication of Sound Recordings and/or Music Videos at specific times or occurrences directly before and during sports events.
4. By signing this optional, non-exclusive mandate you are granting PPNZ the right to represent, and licence on your behalf, your Controlled Content if and when it is used as Featured Entertainment at Major Sporting Events. *[NB: If there are specific artists or tracks within your Controlled Content that you wish to exclude from such licensing, please detail these on a separate page and attach to this letter.]*
5. The Licensing Scheme developed by PPNZ for Featured Entertainment at Major Sporting Events will be determined at PPNZ's sole discretion, provided that PPNZ has first established and published a Licensing Scheme for the use named above, and which has been approved by the Board.
6. For the avoidance of doubt the terms, conditions, expressions and clauses of the PPNZ Input Agreement apply mutatis mutandis to this letter.

I, the undersigned, confirm and agree that I wish PPNZ to represent my Controlled Content in relation to Featured Entertainment at Major Sporting Events.

This mandate is dated and commences from the [ ] day of [ ] 2011 (**Commencement Date**)
